DECISION

MDD/172064

---

**PRELIMINARY RECITALS**

Pursuant to a petition filed December 7, 2015, under Wis. Stat. § 49.45(5), and Wis. Admin. Code § HA 3.03(1), to review a decision by the Wisconsin Department of Health Services (Bureau) in regard to Medical Assistance (MA), a hearing was held on March 16, 2016, by telephone.

The issue for determination is whether petitioner is disabled for MA purposes.

There appeared at that time the following persons:

**FINDINGS OF FACT**

1. Petitioner is a resident of Dodge County.
2. Petitioner applied for MA on August 24, 2015. By letter dated November 5, 2015, the Bureau found that petitioner was not disabled. Petitioner sought reconsideration, but the Bureau affirmed its determination on February 11, 2016.
3. Prior to or concurrently with the MA application, petitioner also applied for Social Security disability benefits and Supplemental Security Income (SSI). Those benefits were denied on

February 9, 2016, with findings of insufficient disability. The federal Social Security Administration determined that the petitioner remains capable of sedentary work.

4. The petitioner does not allege any new medical impairment, nor any worsening of the impairments considered in the Social Security decision.
5. The petitioner is currently a recipient of BadgerCare Plus, which is a form of Wisconsin MA that is slightly different from Wisconsin MA for disabled persons.

### **DISCUSSION**

A person between ages 18 and 65, with no minor children, must be blind or disabled to be eligible for MA. A finding of disability must be in accordance with federal social security/SSI standards. See Wis. Stat. § 49.47(4)(a)4. Because the standards are the same, a finding of no disability for Social Security/SSI purposes made within 12 months of the MA application is binding on a State Medicaid (MA) agency. Exceptions may occur only if certain conditions exist such as allegations of a different disabling condition or changes in the previously considered conditions. None of the exceptions apply here. See 42 C.F.R. § 435.541(a); see also U.S. Department of Health and Human Services commentary, 54 Fed. Reg. 236 (1989).

Because petitioner has been denied Social Security/SSI following a finding of no disability, I must conclude that petitioner is not eligible for MA. This Decision does not affect her BadgerCare Plus eligibility.

### **CONCLUSIONS OF LAW**

Petitioner is not disabled as that term is used for MA purposes pursuant to Wis. Stat. § 49.47(4).

**THEREFORE, it is**

**ORDERED**

That the petition for review is dismissed.
